

Endries International announces release of on-line catalog – “Endries Search & Shop”

Brillion, WI – April 2011 -- Endries International, a Wolseley Industrial Group Company, announces the launch of a new on-line catalog. **Endries Search & Shop** is now available to all customers to review their specific parts on-line as well as our Endries' catalog items.

Site Details

- 
 Powerful product search engine:
 - Key word searches
 - Category searches
 - Product attribute searches
- 
 Access prints for per print items
- 
 See where to locate items within your facility for parts that are currently being supplied through our VMI program
- 
 Request pricing for items that you select
- 
 Order samples for engineering work or new product development

How to Access

Visit our website www.endries.com to request an account to be set up through the online registration process by clicking on *Register* in the upper right corner of the screen. Once an account is set up, you will be emailed a username and password to get into the secured site. If you already have access to the current “All Access Pass” our new site will be available to you automatically.

Future State

Visit our site often as we will continue to build on it by adding additional commodity groups. Also, it is our intent to activate on-line ordering capabilities in the very near future. So please, keep visiting www.endries.com to see what is new at Search & Shop.
